

Recycling Waste Program

Keep Carroll Beautiful has a recycling program to recycle used batteries, ballasts, used thermostats, intact fluorescent & CFL bulbs, and other non-traditional recycling. Drop off recyclable materials at our office in Carrollton, where separate containers are available for each type of material.

Bulb Eater for Fluorescent Tubes & CFL Bulbs

Properly dispose of this material to prevent its exposure to the environment. With the assistance of our new bulb eater from Air Cycle Corporation, we can crush mercury containing fluorescent tubes and CFL Bulbs. Keep Carroll Beautiful will dispose of the bulbs under governmental EPA standards. We accept all lengths of fluorescent bulbs, as well as, round and U-shaped fluorescent bulbs.

Battery Recycling

AA, AAA, C, D, and 9-volt batteries. Acceptable types of dry cell batteries include alkaline, nickel, cadmium, nickel metal hydride, iron, zinc carbon, and silver.

Ballast Recycling

Proper disposal of harmful electronics like ballasts is often difficult to find. PCB's and other hazardous materials are found in ballast, so drop them in our special containers and allow us to properly dispose of them.

Smoke Detector, Thermostat, & Thermometer Recycling

If you have smoke detectors old thermostats or thermometers to recycle, please bring them to KCB at any time and leave them on our porch. We will properly recycle them for you. They may also be recycled through manufacturer take-back programs.

Capri-Sun Packages

These products are sent to the TerraCycle program where they are reused to make other items. These are accepted at our office.

Plastic Bag Recycling

Please recycle only clean, dry plastic bags and film. Remove receipts or any other items from bags.

- newspaper bags
- dry cleaning bags
- bread bags

• plasticbagrecycling.org

Do NOT include the following:

No food or cling wrap, prepackaged food bags including frozen food bags (e.g., prewashed salad bags), film that has been painted or has excessive glue, other bags or films, or degradable bags.

Electronics Recycling

KCB provides biannual E-Recycling events where you can bring all of your old electronics and properly dispose of them. If you need to recycle electronics at other times, or are a business that has a large quantity of electronics to recycle, please contact our office.

Paint Recycling

KCB accepts latex and oil-based paint at our office for recycling. There is a small fee to recycle paint. Email info@keepcarrollbeautiful.org or call 678-321-4816 to schedule a drop-off appointment.

Shoe Recycling

KCB accepts all gently used shoes at our office for recycling.
