### Carroll County:

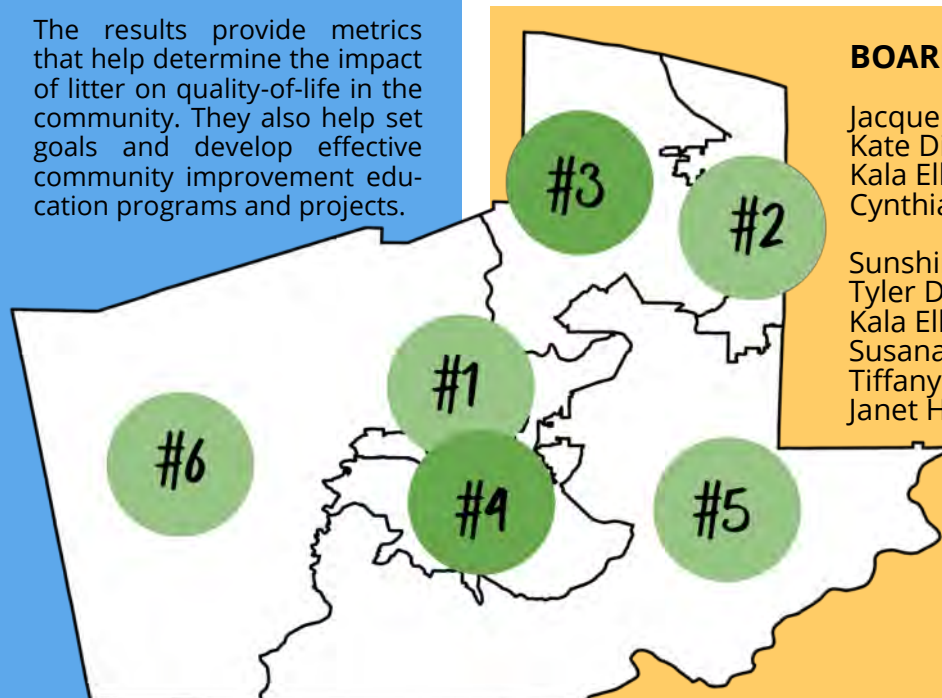

**1.64**

The Community Appearance Index is a yearly roadside litter audit. Keep Carroll Beautiful volunteers score 10% of Carroll County roads using a 1 to 4 scale, where 1 - no litter; 2 - slightly littered; 3 - littered; and 4 - extremely littered.

The results provide metrics that help determine the impact of litter on quality-of-life in the community. They also help set goals and develop effective community improvement education programs and projects.
